

MacMasters Need A Lift

Long time St. Paul's member Donna McCreary and her family are raising money through gofundme page to help her grandson. Donna's daughter, Katie and her husband Brad adopted two wonderful little boys who are now requiring a ramp and lift to get around the house. Some of you might remember Katie and her sisters around St. Paul's as they grew up. Please read the gofundme story <https://ca.gofundme.com/macmasters-need-a-lift> and help as you are able.

Please keep Mary Balson in your prayers on the recent loss of her sister-in-law, Carol.
