*BLUE's mission is to fill a gap in local, supportive programming for anyone seeking safe community, life-giving activities, delicious food, healthy relationships and a community to call home at little or no cost to participants. Through our core values of acceptance, dignity and mutual community, members grow in self-esteem, and find greater purpose and joy in living. We share food, music, exercise, group discussions, fun games and celebrations and offer access to free clothing and hygiene cupboards, all to **Build Lives Up Everywhere.***
