Awareness Pin Beginner Beading Workshop Saturday, May 4 - 10am-4:30pm

The beginner beading workshop will start with a review of the tools needed to start a beading project. (Bead kit)

Next, a demonstration of beading around a cabochon using the 'one needle flat stitch' method.

When two or three rows have been completed around the cabochon, a backing with a pin will be added. This requires drying time, after which edging can be added to complete the awareness pin.

This workshop will take approximately 6 hours.

Cost: \$40. Call the office 905-623-7361, limited spaces available.

Lenten Study

Act/Fast invites us to deepen our love for Creation and take action or fast for a climate in crisis.

Grief, anxiety, hope, love, pain, despair, awe—many emotions are used to describe our relationship with all of Creation. What is your personal, physical, and spiritual relationship with God's Creation? How does this relationship affect how you follow Christ? *Act/Fast* features a diverse group of contributors.
