

Homelessness has a face, a story, and a name.

On December 3, join the Municipality of Clarington and community partners for a free screening of US & THEM, an eye-opening documentary that explores the human side of homelessness. Stay for a community discussion as local voices share insight, compassion, and local strategies for change.

Following the film, stay for a panel discussion exploring the lived experience of homelessness with local community members.

Wednesday, December 3, 2025

7 p.m. US & THEM film screening

8:30 p.m. Community Discussion

**Garnet B. Rickard Recreation Complex,
2440 Durham Regional Highway 2, Bowmanville**

This free community event is hosted in partnership with the Integrated Community Outreach Network in Clarington (ICONIC), Gathering Place, and the Region of Durham. No registration is required.

If you are able, please bring a donation of new mittens or socks to be collected and distributed to unsheltered neighbours by The Seeds of Hope Project.
